

Motiva Spartan™

Meet the Motiva Spartan™, our cost-effective system which doesn't compromise on quality. Featuring our galvanised steel framework, the Motiva Spartan™ is ideal for a wide range of settings, from schools to commercial premises. This design is also available in a range of polycarbonate roof colours, perfect for adding colour and personality to play areas. Thanks to our manufacturing process, we can also make the Motiva Spartan™ bespoke to your exact dimensions.

- ✓ Solid steel framework
- ✓ Freestanding contemporary design
- ✓ Asymmetric straight polycarbonate roof design
- ✓ Framework finished in Dura-coat™ finish
- ✓ Wide range of sizes
- ✓ Longest guarantees on the market
- ✓ Available with coloured polycarbonate roofing

Appearance

Steelwork on the Motiva Spartan™ canopy is finished in Dura-coat™ colour finish to any RAL colour. The plastic gutters and downpipes are finished in RAL 7021. Our superior polycarbonate roof covering can either be clear or opal as standard or coloured at an extra cost.

- Available with Opal, Clear or coloured polycarbonate roof sheets.
- Post pads can be any colour, often contrasting with the structure.

Services

A&S Landscape recommend early consultation to consider all aspects of the installation of our Motiva Spartan™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into Architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings, and project management. Early technical involvement often improves design, aesthetics, and cost.

BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.
