

## Cyclo Nexis™

The Cyclo Nexis™ is the latest addition to our range of cycle storage solutions. Choose from the range of size options and configurations to create the right amount of storage for your needs. The Cyclo Nexis™ also boasts solid steel framework and UV resistant PETg roofing.

- ✓ Robust cross frame design
- ✓ UV resistant PETg roofing
- ✓ Solid steel framework
- ✓ Choice of galvanised finish or Dura-coat™ finish

### Appearance

Steelwork is finished in galvanised only or Dura-coat™ colour finish to any RAL colour

(the cycle rack will remain in galvanised finish unless specified otherwise). The robust PETg cladded roof is clear.

### Services

A&S Landscape recommend early consultation to consider all aspects of the installation of our Cyclo Nexis™. We provide free quotations, technical information and drawing files (at design stage) to allow effortless incorporation into architects' drawings. Our service to you includes: - comprehensive site surveys, CAD Drawings and project management. Early technical involvement often improves design, aesthetics and cost.

#### BESPOKE PRODUCTS

Our ability to extensively customise our products ensures that we can meet any specialist requirements that you may have. Our flexible modular system often allows this to be done very economically whilst retaining all of our superior performance characteristics.
